

### Make a Resolution to Help Others

It's been a busy holiday season for Project Boon! With your help, we were able to feed thousands, provide gifts for children in need and spread the holiday spirit to those who needed it the most.

Last month we co-hosted the annual Winter Holiday Event with our latest partner IVRS, an alcohol and drug recovery center that serves San Bernardino County.

During this event, we:

- Served over 600 hot meals
- Provided gifts for over 300 children
- Hosted 12 wellness booths to provide much-needed services and administered flu shots

We traveled to Tuxpan, Jalisco Mexico with Operation Devolver and made some new friends.

As part of our annual December Giving event, we gave out groceries to 50 families and over 200 toys to children of the barranca.

We also met with local government and set the ball in motion for a parenting and education support program that we will be beta testing this Spring.

Our 5th Annual Eat & Be Well event was the largest to date and continues to grow each year!

Thanks to the numerous partners and volunteers we were able to:

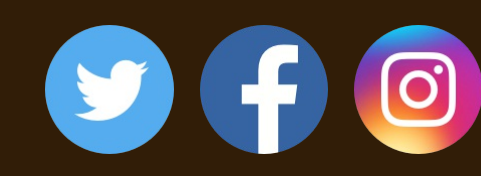

- Feed over 1,500 people
- Provide 500 plates of food and 2,000 water bottles to local recovery centers and churches
- Host 46 health & wellness vendors including free haircuts and flu shots
