

Operation Devolver 17.1

We've just returned from another successful trip to Tuxpan, Jalisco where we met with each family to collect census data and complete needs assessments.

The information collected during this trip will help us better serve the needs of the families of the Barranca and make future trips even more impactful on the community.

Thank you to all of our volunteers, donors and board members. We could not do any of this without you.

Click below to help these families now and all year long.

You Can Make a Difference
