Meet the People You Help

At just 11 years old, José Eduardo Martínez Rúa works at a local tomato farm when he is not attending middle school.

His father works out of town, and José struggles to take on the responsibilities of helping his mother with his three siblings.

Project Boon has impacted his life by providing school supplies so he may continue his education and pursue a career in forensic science.

Click below to learn more about José and how Project Boon is helping him achieve his dreams.
