## Inland Empire Non-Profit Of The Year

We are so proud and honored to be nominated as a finalist for the 2019 Non-Profit Of The Year! This is truly a testament to how hard we have all worked to grow Project Boon and help as many families as we can. Thank you to everyone for your neverending support and willingness to volunteer whenever needed.

Although we did not win, the award went to the extremely deserving and inspiring non-profit, Rewritten, whose mission is to help bring change into the lives of young people with unstable or challenging backgrounds.

We are so thankful to Assemblymember Eloise Gómez Reyes for this amazing recognition and look forward to partnering with some of the organizations we got to meet during the ceremony.
