

Important Update To Our Easter Drive-Thru Event

Due to San Bernardino County restrictions released on April 7th, all non-essential items have been removed from this distribution event.

This means that, we are no longer able to provide Easter baskets but **still plan to hand out essential items such as fresh fruit, vegetables and other grocery items** via the Hitch Burger drive-thru.

For the latest updates on county restrictions please visit: <http://wp.sbcounty.gov/cao/countywire/>

In an effort to help support the needs of underserved families in our region during this difficult time, **Hitch Burger** has partnered with Project Boon to host a **drive-thru essential grocery pick-up**.

On Easter Sunday, April 12th, from 2 pm-4 pm, we will be distributing groceries from the Hitch drive-thru to minimize contact and provide some much-needed relief to families and those in need.

Please be respectful and understand that large congregations of people are not allowed. All attendees must remain in their vehicles, and please do not line up early. We will be handing out the groceries on a first-come, first-serve basis until supply runs out.

Even the smallest act of kindness makes a big difference, and we are doing what we can to provide some normalcy to those families that rely on Project Boon's support this time of year.
