

## Spreading Some Joy This Holiday Season

## TOY DRIVE

Accepting New, Unwrapped Toys  
Until December 11, 2020

This time of year, we are typically making the final preparations for our annual December Giving and Winter Holiday events. In true 2020 fashion, we've once again had to pivot and find creative ways to help local families celebrate the season.

We have partnered with [Giving 365](#) to help support an underserved school in the Inland Empire that desperately needs our help. With over 90% of their students at or below the poverty line, we have a lofty goal of collecting 800 toys so these kids can have something to celebrate this holiday.

To share some perspective, our usual partners include affluent school districts who encourage their students to donate toys for others in their community. With schools being closed, we are limited to how we can inspire generosity and need your help now more than ever.

Only **YOU** can help these kids have a merry Christmas!

We are accepting new, unwrapped and non-gender specific toys for kids in grades K-3. Gift ideas include:

- Coloring Books
- Art Supplies
- Board Games
- Legos, Blocks
- Puzzles
- Puppets

Toys can be dropped off until Friday, December 11th, at [Hitch Burger](#) or [Firm Media](#). (click the links for driving directions)

PLUS, our friends at Hitch Burger will treat you to a **FREE** bowl of chili or soup of the day when you drop off your donation!

If you'd prefer to make a monetary donation, we will gladly accept any amount you can give and use it to purchase the toys still needed to meet our goal.

Click below to learn all the ways you can donate!

## Looking For Volunteer Opportunities?

There are a few open spots for anyone wishing to volunteer at this year's "Drive Through the North Pole." We will be handing out the donated toys to students from Park Ridge Elementary School in Corona.

**Masks are required at all times, and disposable masks will be provided if you do not bring your own.**
