

This month's newsletter is brought to you by Fontana Foundation of Hope and the incredible partnerships we've formed with the City of Fontana and Bloomington Community Health.

How You Helped Give Back In 2020

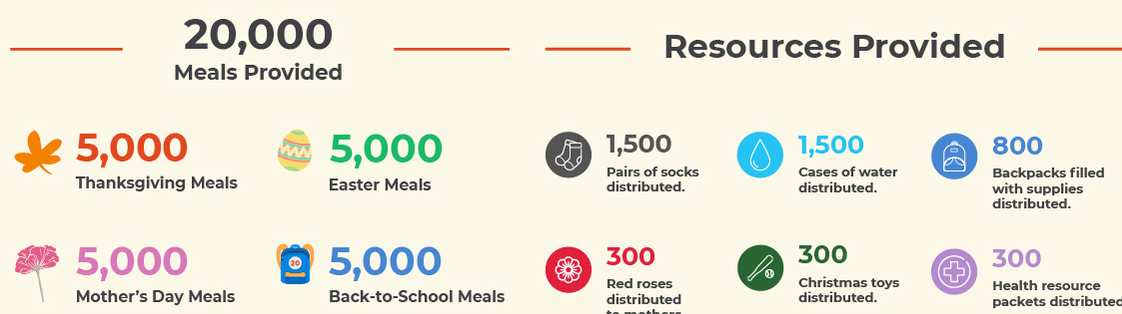

Last year showed us the true power of community. By working together, we were able to defy the odds and find ways to give back in ways we never thought possible.

When we had to shift gears in March, we did it. **YOU** did it.

Not only were we able to still hold our Easter and Mother's Day events (modified, of course) during the height of the pandemic, but we provided hot meals and resources to families in our community throughout the holidays.

We are so grateful for the opportunity to continue to serve those in need and look forward to doing more in 2021.

This new year will be filled with possibility and growth. ☐

Click below to see everything you helped accomplish last year!

☐ Board Member Spotlight - Dr. Kim Kimpel

"I have always, according to my mother, been a giver. It is who I am and what brings me pure joy!"

Dr. Kim is the CEO and founder of one of our favorite non-profits, [Giving 365](#). Her mission is to break the cycle of poverty while working with teens and young parents to teach them nurturing parenting skills.

She is a longtime supporter of Project Boon and believes that everyone is connected and can help one another.

☐ Sponsor Of The Month

[Fontana Foundation of Hope](#) was created to enhance the quality of life in local communities. They are passionate about donating to charitable causes and supporting nonprofits that share their vision of giving back.

As an integral partner of Project Boon, there have been many times that the generosity of Jack Long, and his entire team, have been personally responsible for the success of our events.

Give Back While You Shop

Have you linked Project Boon to your Amazon Smile account yet? Select us as your non-profit of choice and give back each time you shop! We're all relying on deliveries these days so why not? ☐
