### 8,500 Easter Meals For Local Families

Thank you to everyone who made our Easter event a success!

Along with the support of our board members, there were so many volunteers and community partners who generously gave their time, donated candy and toys, helped us financially and lent us their support.

We couldn't do this without you!

At this year's drive-thru event, we were able to hand out Easter baskets, community resource packets and hygiene kits to 300 local families! We also supplied each family with enough groceries to feed 4 people for an entire week. That is 8,500 total meals!

### Upcoming Events

For the past few years, we have had the opportunity to provide backpacks filled with school supplies and bags of groceries for families at the Bloomington Community Health Center. We're very excited to once again be able to host this meaningful event and help the underserved.

**Saturday, July 17th: 9am-12:30pm**

### Annual Food Goal

Each year, we set goals to expand our reach and help even more families in need.

Last year, we exceeded our goal of providing 20,000 meals to the underserved community. This year we are determined to meet our goal of 30,000 total meals.

We're currently 28% of the way there, with 8,500 meals distributed.
